The Los Angeles County Arboretum and Botanic Garden is a unique 127-acre botanical garden and historical site located in what was the heart of the historic Rancho Santa Anita in the city of Arcadia. A stroll through the Arboretum will take you through a variety of gardens and landscapes that offer beauty and tranquility as well as ideas for your outdoor space at home. The Arboretum is an official wildlife sanctuary, as well. In addition to our famous peafowl, visitors will see species of resident and migratory birds, aquatic creatures, as well as numerous species of small reptiles and mammals. Pack a picnic lunch or have a bite to eat at the Peacock Café. Visit the Garden and Gift Shop for unique peacock-themed merchandise, and garden inspired items. We will be out in the elements, so wear comfortable shoes and weather appropriate clothing, and bring an umbrella or sunscreen and some bottled water.

\$40 includes transportation, admission to arboretum, and tip for bus driver. Departure from the Senior Center will be at 9:30am with a return to the Senior Center at approximately 4:30 pm. As a reminder, this program is offered to active, independent seniors 50+ years of age. A caregiver or family member, 18 years of age or older, is welcome to accompany any senior who requires assistance, but is required to pay all trip-related costs. Space is limited, so register early! **Deadline to register is Saturday, April 20th.** Refunds will only be given if the trip is full and we can fill your spot. For more information, please contact the Corona Senior Center at (951) 736-2363.
